- **mtb-hotels.info Award 2021 honours the 50 best hotels for mountain biking**
- **Europe's most popular bike hotel is located in Austria**
- **A Portuguese hotel is represented in the Top 50**

(12.05.2021, Friedburg, Austria) - Europe's most popular bike hotel is located in Austria. This is the result of the evaluation of the first mtb-hotels.info Award. A total of 690 bike hotels from five European countries were evaluated by the editorial team of the German-speaking platform www.mtb-hotels.info. Hotel Annelies (Austria) triumphed, followed by Hotel Salzburger Hof (Austria) and Hotel SantaLucia (Italy). Also a hotel from a non-German-speaking country has made it into the top 50: Da Silva Bike Camp from Lourinhã (Portugal) came in a strong 32th place.

For the mtb-hotels.info Award 2021, the criteria of facilities, service and guest opinions of 690 bike hotels were evaluated in detail. The final ranking is based on the total number of points for all factors. The ratings of the mtb-hotels.info users as well as the 3 major rating portals Google, TripAdvisor and HolidayCheck are included in the ranking. A special feature is the self-developed "no-fake factor", which relates the number of bad reviews of each hotel to the number of its rooms. This value cannot be distorted by the hotel operators marketing.
